Weekly Newsletter for March 23-27, 2020

We hope this Newsletter finds you all happy and well.

*Week 2 of Tele-schooling has come to an end and we are so impressed with all of the students that are working hard and trying to keep up with their lessons. We have lessons ready to go for week 3. These lessons will be posted to the RNE Tele-school website Sunday evening.

*Thank you so much for the time and effort that you are pouring into your children with delivering the lessons that teachers have provided.

*Remember, there are extra activities, books on video, virtual field trip experiences on our grade level website for your child. These are strictly extra and by no means required.

As always, contact your teacher if you have questions.

We miss our students. Have a great weekend!!!
